When you are ready to move forward with your enrolment, ***you can follow these 3 simple steps:***

1.

Sign into the Amazon Career Choice portal

You can log on to the portal here: www.amazoncareerchoice.com/Home?country=GBR
If you don't know your log-in details, contact your HR department and they will be able to point you in the right direction.

2.

Select your course

When you have logged onto the portal you will find a catalogue of courses. For the school, you will need to select DLC Training. Select the course title that corresponds with the course you have been speaking with your course advisor about. For example, if you have been speaking with your course advisor about an IoSCM Level 3 course, this will show up as IoSCM Level 3 Diploma in Logistics and Transport on the Amazon Career Choice catalogue.

3.

Obtain your voucher

When you have selected your course, Amazon Career Choice will send you the voucher. You will need to sign and date the voucher where it asks for the student's signature. When you have signed the voucher, send it across to your course advisor and they will complete the rest!

4.

Begin your course

Your course advisor will send you an enrolment form to complete and will provide you with options for organising payment for your 5% contribution. Whether you would like to pay this in one go or set up an interest-free payment plan, we have options suitable for everyone.

When we have set up your enrolment you can provide us with a preferred start date for your course, or you can begin straight away!
