

DLC Training August Newsletter

This month's newsletter focuses on the importance of employee engagement. Engaged employees perform better, experience less burnout, and stay with employers longer. With one in three* employees in the UK planning to find a new job by the end of 2023, it's clear that organisations can be doing more to strengthen their relationships with employees and retain their commitment.

Professional Development Focus

When remote working, it can be challenging to maintain the same level of professionalism as we would typically have in a work setting. This can in turn affect our ability to work to the same standards as we would usually. However, there are steps you can take to make sure you're setting yourself up for success each day, no matter where you're located.

REMAINING PROFESSIONAL WHEN REMOTE WORKING
