National Inclusion Week

2023 25 September
1 October

In September we are focussing on National Inclusion Week. NIW, which takes place Monday 25th September – Monday 1st October, highlights the importance of inclusion and diversity for a positive organisational culture.

This year's theme, *Take Action Make Impact*, focuses on setting a strategy behind the actions in place for improving inclusion. By creating a plan for improvement, not only will your employees feel more confident and comfortable to be themselves in the working environment, they will also feel motivated, and be more engaged with their role in the organisation.
