

DLC Training October Newsletter

commonplace than ever this months newsletter focusses on two key parts of working while away from work. Our first blog post "How To Create A Workplace Culture Remotely", takes a look at something that can be difficult in any business, but even more so when everyone isn't actually in the same workplace. Our Proffesional Development blog post this month takes a look at the best practices for "Remaining Professional when Remote Working".

WHEN REMOTE WORKING

When remote working, it can be challenging to maintain the same level of professionalism as we would typically have in a work setting. This can in turn affect our ability to work to the same standards as we would usually. However, there are steps you can take to make sure you're setting yourself up for success each day, no matter where you're located.
