

DLC Training Monthly Newsletter

Welcome to DLC Training's August newsletter! This month, we're exploring how to futureproof your career and sharing practical advice on starting a career in supply chain. Plus, don't miss our featured resource on the growing impact of Artificial Intelligence.

DLC Training: A Guide to Artificial Intelligence

In our latest DLC Training Guide on Artificial Intelligence, we cover several key elements of explaining and understanding Artificial Intelligence,

including the different forms of AI, understanding the basic principles of what AI is, a timeline of AI's development, and the legal, social, and environmental issues surrounding AI...
