

DLC Training Monthly Newsletter

Welcome to DLC Training's September newsletter! This month, we explore how career zigzagging can open new pathways for progression, and how you can stay ahead of the AI curve in today's workplace. Our featured resource also highlights the powerful link between learning, development, and improved organisational performance.

DLC Training: Learning, Development, and Organisational Performance

In this month's guide, we cover the key aspects of continuous professional development and workplace learning, and how they drive performance improvements at both an individual and organisational level...
